In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of an International Search Report (ISR) from the Japanese Patent Office (JPO) in a counterpart application (International Patent Application No. PCT/JP2004/014839 filed October 7, 2004) citing such documents, together with an English-language version (if not already included) of at least that portion of the ISR indicating the degree of relevance found by the JPO.
